Agenda | Friday, May 24

9:00  Meeting in the lobby of Hilton Istanbul

9:30 - 11:00  Session 1: NoC Working Meetings

This part of the meeting will allow NoC participants to discuss issues specific to the NoC in small working groups. Thus far, proposals for sessions include the following, whereas NoC participants are encouraged to make further suggestions.

- Towards a Shared Internet & Society Curriculum
- Government Approaches to Internet Content Control
- Proposal for a Joint Research Project on Online Intermediaries

**Moderator:**
Wolfgang Schulz, Alexander von Humboldt Institute for Internet & Society, Germany

11:15 - 13:00  Session 2: NoC Meetings with Regional Stakeholders and Special Guests

In this moderated session, NoC participants will have the opportunity to meet with selected Turkish stakeholders to discuss issues specific to their research, potential joint research opportunities or other topics.

- Responsibility of Intermediaries
- Entrepreneurship Education

**Moderator:**
Leyla Keser Berber, Director of Information and Technology Law Institute, Istanbul Bilgi University, Turkey

13:00 - 14:30  Lunch

14:30 - 19:00  Session 3: Excursions to Microsoft Turkey

We will have an opportunity to visit Microsoft’s Turkey offices in Istanbul and continue to the conversation about the various conference topics.

20:00  Dinner
Saturday, May 25

9:00 - 13:00  **Excursion to Istanbul (optional)**
This optional excursion to Istanbul will take the international symposium guests to places such as the historical peninsula, Topkapı Palace, Hagia Sofia and the Blue Mosque.
