

Illustrations for Gaylord v. United States

William Fisher

November 23, 2014

The purpose of these materials is to enable students associated with CopyrightX to assess the arguments offered in *Gaylord v. United States* (Fed. Cir. 2010). The edited judicial opinion in that case can be obtained through copyx.org. The justification for the reproduction and distribution of these images, as well as the terms on which they may be used or modified, are available at copyx.org/permission.

“A picture of The Column – taken on a sunny day.”
